KHR **59,000**
USD **14**

A timeless blend of elegance and
Cambodian charm, designed to add
a soft, refined touch to every look.

"Woven with tradition, styled with
grace."

AirAsia
Made in Cambodia

Krama Khmer is a timeless Cambodian tradition and national symbol. Its distinctive checked pattern represents Khmer culture and heritage. Worn by men, women, and children, it has many uses for bandanna, to cover the face, for decorative purposes, and as a hammock for children. It may also be used as a garrot by Bokator fighters, who also wrap the krama around their waists, heads and fists.
