We Are The Asean

Dear Guest,

Food has a wonderful way of making us feel at home, even when we are thousands of feet above it.

That feeling is what our Santan team hopes to bring to you today.

Our product development team comes from Malaysia, Thailand, Indonesia and the Philippines. They grew up with different flavours, family recipes and ideas of what comfort food tastes like. And when we develop a dish, those memories come to the table with them.

There are plenty of debates too. Is the sambal sweet and spicy enough? Does the tom yum have the right mix of sourness and heat? Would this taste right to someone who grew up eating it?

Those conversations matter because we want the food we serve to feel true to where it comes from.

Sometimes that takes us further than expected. For our Creamy Tom Yum Seafood Noodle, our team travelled repeatedly to Thailand, eating, tasting and working alongside our Thai colleagues until everyone around the table agreed: this tastes right.

That is the spirit behind every Santan menu. Different ASEAN cultures, brought together by people who genuinely love food.

Wherever you are heading today, I hope something on this menu brings you a small taste of home, or perhaps a new flavour to remember from your journey.

And if you find yourself missing these flavours after you land, you might just find a little Santan waiting for you back on the ground too.

Love,
Catherine
