‘AIRLINE FOOD SUCKS’

NO MORE!

Welcome on board! I'm Catherine from Santan. My team and I are obsessed with one thing—great food.

"Airline food sucks"—it's a phrase we've all heard for too long. We're here to change that. Inspired by Asean's rich culinary heritage, our menu brings comforting, home-cooked flavours to the skies. From Pak Nasser's Nasi Lemak to bold new favourites like MALA Beef Soup Noodles, every bite is crafted with culture, quality, and care.

And yes, great coffee belongs in the air too. Now, you can sip on a café-quality coffee at cruising altitude—because you deserve nothing less. Plus, it all comes at an affordable price—cheaper than airport!

Beyond food, we're committed to sustainability. Our eco-friendly PLA packaging reduces waste and cuts over 500 tonnes of carbon emissions annually. Small changes, big impact.

So sit back, relax, and enjoy!

Xoxo,

Cath.
